Thanks, Cynthia. Great pictures of Red and Bonita in the most recent issue of the Standard. I have to go out of town again this weekend and will be back in the office on Tuesday.

I've let Uravan slip off my plate almost entirely. What do you need from me to keep that project moving?

Hi, All.

Attached is a letter that was sent by EPA to Sunnyside Gold yesterday regarding their participation in a remedial investigation. Please let me know if you have any questions or would like additional information.
